About Bell & McCoy Companies

Bell & McCoy was established in 1972 and, with over 190 employees, we have become known as one of the largest agencies in the country. We cover the six states of Texas, Oklahoma, Louisiana, Arkansas, Mississippi and Western Tennessee. The manufacturers that we represent are sold through distribution and we are focused on the commercial, residential, industrial and municipality markets. Our time is spent working with distributors, electrical contractors, engineers, architects, lighting designers, general contractors, etc. to educate and influence our products in the market.
